

## **Campground Rules and Regulations**

### ***Rule Number One:***

***Create great memories of happy times with your family, VISITORS and VEHICLES by enjoying the CAMPGROUND PROPERTY with SAFETY, COURTESY and respect for others and the environment.  
Enforcement of All Rules***

***As stated in your Seasonal Agreement, the Campground reserves the right to remove any guest at any time for any reason in the sole judgment of the Campground. Those not following our rules, regulations (and other acts and behaviors not deemed appropriate as determined by Management), will be asked to immediately leave the Campground without any refund(s).***

### **READ THESE RULES**

**Any person who becomes an overnight or seasonal Camper or a Visitor will be assumed to have read and understand these rules and regulations. You also are expected to communicate these rules and regulations to their children, guests and/or invitees. You are responsible for all actions of all members of their party.**

### **SAFETY**

1. Safety is our Campground's #1 priority and is not negotiable. Safety must be the top concern of our campers and guests as well. Everyone is responsible for using judgment and caution to protect themselves and others. Lack of common sense is not an excuse. Parents and caregivers are expected to keep kids safe.
2. Fireworks, sparklers, floating lanterns, and weapons of all kinds are prohibited at all times.
3. Bicycles, skateboards, skates must be ridden safely. Children must wear helmets when riding any wheeled device. No one – including adults – may ride bikes after dusk without headlights.
4. We do not permit powered skateboards, hoverboards, power wheels or go-karts.
5. Campground personnel may conduct periodic patrols, day and night. Decisions of campground personnel are absolutely final pertaining to noise, campfires and other infringements of the rules.
6. Campfires are allowed, but only in the designated firepits on campsites. If you start a fire, you are responsible for any damages that fire causes. All fires must be properly and completely doused at the close of the evening and may not be left unattended.

### **COURTESY**

1. Everyone is encouraged to have fun within common sense limits. These rules are guidelines but are not a substitute for being a good neighbor.
2. Racism, ethnic slurs, comments directed at the appearance, sexual orientation or characteristics of others are unacceptable. Camping is for all people. If you aren't ready to welcome anyone else, we're not ready to welcome you.
3. Quiet hours will be strictly enforced from 11 pm to 9 am.
4. Everyone is free to hold the political, religious and social views they wish. Our Campground is not the place to discuss or argue those issues. No signs of any kind (except camper for sale signs or birthday and other celebration signs approved by the Campground) are allowed on campsites. Please keep discussions of anything controversial private.
5. Children are the greatest joy we have in life. Without proper supervision and responsibility, they can become a serious problem. Parents or adults responsible for children are accountable for the

children's behavior. If children cause trouble requiring the Campground to remove them, the responsible adults will be removed as well.

6. Almost all issues between people will be resolved by talking to one another in an adult manner. Before you contact the Campground staff about problems with your neighbor or other campers, make every reasonable effort to resolve the issue. The best way to avoid problems is to get to know your neighbors right away.
7. Our Campground staff is responsible for assuring that our guests are safe and happy. We expect you to follow their guidance. If you have a problem with a staff member, please let us know, but do not disregard them because you disagree with them.
8. Bullying, intimidating or offensive behavior is unacceptable and will be dealt with.
9. Our trees, plants, soil, water and air are precious resources. Do not abuse these resources.
